How does Triangulation benefit me?

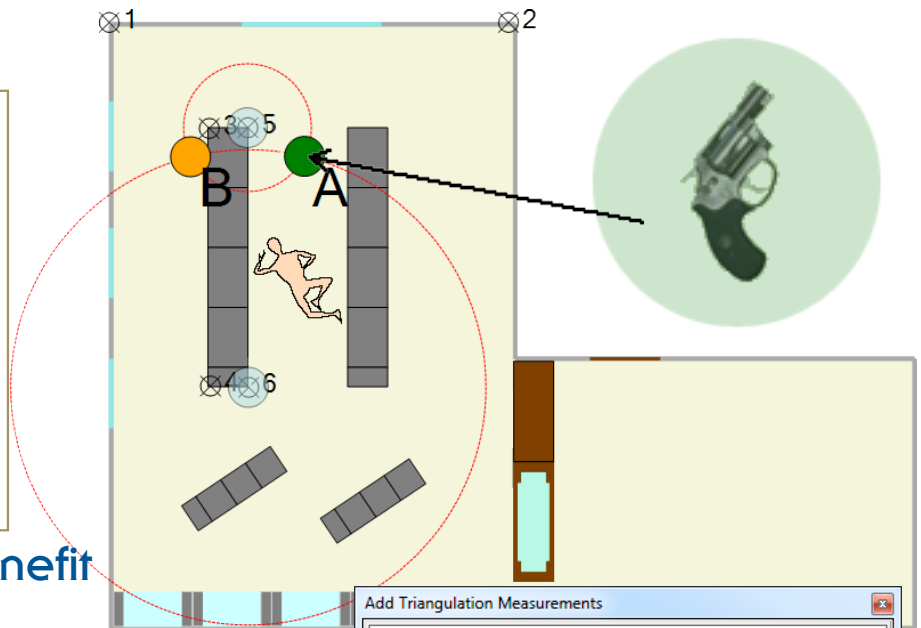

DIRECTLY INPUT TRIANGULATION MEASUREMENTS ON YOUR DIAGRAM.

Automatically convert field triangulation measurements to baseline:

- Fully integrated triangulation wizard
- Measurements visible on screen as you enter them
- Simple interface
- Triangulation measurements can be taken from any two pre-existing points

"Visual Statement continues to innovate and advance the FX3 product line. Feature Pack 6 includes several Customer driven requests including Triangulation support and searchable Vehicle Specifications. We remain committed to the FX product line and future releases."
