

# FX3 Feature Pack 5

## NEW VERSION

### FEATURES

- 2009 Vehicle Specifications Database
- SMAC Snag
- New Objects
- Direct Download Support for Trimble S6, VX, GX
- Articulated Vehicles

## How do Articulated Vehicles benefit me?

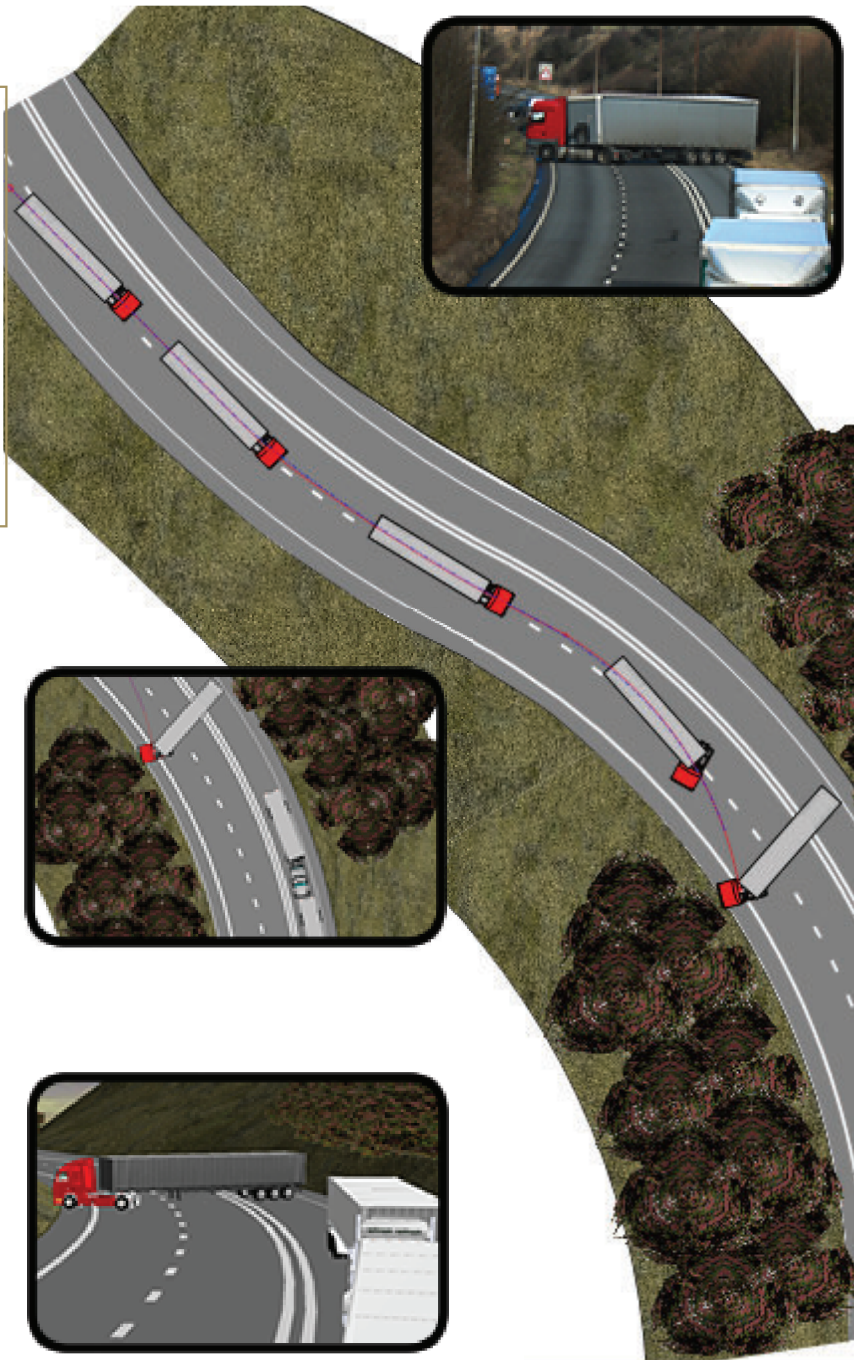

### ANIMATE COMMERCIAL VEHICLES WITH JUST A CLICK OF A MOUSE

Efficiently animate complex, intricate vehicles with FX3 including:

- Tractor trailer units
- Passenger vehicles towing boats
- SUV's and trucks hauling trailers

Track the trailer path behind the hauling vehicle using forward dynamics and kinetics in FX3.
